

Hello VCMC family.

We just wrapped up our AGM and with winter upon us it's time to reflect on the past year at VCMC. Covid restrictions were lifted and we were all introduced to our new sandbox at Mission Raceway Kart track with a test n tune in April. We held 7 cup events plus the ever so popular 2-day Blitz event. Though we were limited in course designs the Kart track worked out better than expected and plans are now in the works to add some safety barriers and possibly upgrades for 2023. We are also very excited to announce the return of the Velocity Drivers Training program and have scheduled 2 events for the upcoming season.

We held 4 track days, 2 in Mission, 1 on Vancouver Island and 1 at area 27. We were hard pressed to fill our track days. Cutting back is expected in 2023 but don't panic plans are still in the works for some events. Stay tuned as we will be releasing more information on tentative dates and locations when we are able. Please register for track days ASAP as this ensures the club doesn't need to cancel for lack of interest.

Thank-you to all the ELT members for making 2022 run smoothly. Jordan Valgardson, Justin Holme, Leon Ho, Dave Wilson, Ken Morgan, Giff Robb, Dimitri Tcaciuc, Miguel Bagara and Steven Nguyen.

A huge Thank-you and shout out to Jordan for his incredible leadership throughout the years. Even though he's stepping down as president he will still be very active in the ELT and running the Velocity drivers training program.

Congratulations to all the Cup event winners!! Hats off to competitor of the year Arthur Chan, rookie of the year Andrea Nielsen and member of the year Dave Hancock. We are also welcoming a new ELT member Meggie McEwen. Hopefully you were able to celebrate the awards banquet with us at the Newlands Golf and Country Club, thank-you to all who purchased tickets and made it a memorable evening.
